

Aviation Products

GENERAL INFORMATION

Prices: Prices are effective for Orders received and items delivered prior to December 31, 2017. The prices shall not replace any existing negotiated prices with the individual business divisions.

Availability: Delivery lead-times for standard off-the-shelf products typically range from 7 days to 6 months after receipt of order depending on product type. Lead times may be affected by U.S. Government export requirements. Expedite fees might apply for deliveries inside of standard lead times. Contact your Aviation Products representative at the individual location for the latest availability information.

Shipments: Parts are packed ready for airfreight, truck or parcel post shipments. Packaging and labeling of all items will conform to ATA 300 Specifications if applicable.

Quality Certifications: ISO 9001 and AS9100

Minimum Order Amount*: \$1,000.00

How to order: Please provide us a written purchase order that includes:

1. Purchase order number
2. Shipment routing (Carrier and Account Number)
3. Item description and part number
4. Quantity
5. Delivery schedule
6. Price
7. Designated aircraft type or spare designation
8. Export Compliance Certificate
9. Contact's name and number
10. End User/ User Certification

Order Administration at the individual locations will confirm receipt of purchase order by an order acknowledgment reflecting shipping dates, price and part number. In the case of conflict between the terms and conditions of this Price Catalog and any purchase order issued to L3 Aviation Products or its individual locations, the terms and conditions of this Product Catalog and any amendment thereto shall prevail. Acceptance and/or acknowledgment of purchase orders shall not be construed as a waiver to the order of precedence herein.

Payment Information: If your company has an established account with L3 Aviation Products, which is not past due, invoices shall be paid in accordance with the terms of the credit agreement. If you have not established credit with L3 Aviation Products, or your account is past due, shipments will be made on a Cash Before Delivery basis (CBD) payable by credit card, check or wire transfer. Please indicate which invoice number(s) you wish to be cleared with your payment. Payments must be deposited in the appropriate bank account by the agreed-to payment date on approved credit. In the event you refuse to accept a shipment, and the unit is returned to L3 Aviation Products undelivered, you will be liable for all shipping and restocking costs incurred.

Credit Card Acceptance: MasterCard and Visa. Additional fees might apply. Each transaction must identify cardholder, card number, expiration date, correct billing address, and invoice number(s) to clear.

New Account: If you do not currently have an account with L3 Aviation Products, in order for you to place orders with us we will need the following: Export Compliance Certificate, and Customer Credit/Account application. An End Use/End User Certificate will be required for each order placed with L3 Aviation Products.

Please contact your individual Accounts Receivable Department Representative for further information.
